Wish

Heyy, hi tanu this note is just not a note this is a wish in my feelings that i can't express. I know today many your family and friends are going to wish you birthday wishes. But I will just pray to God for you to bless you with lot's of happiness, peace, faith, strength and love in your life. I just hope you always stay happy and smiling as ayou do. Now I wish you the Happiest BBirthday to Poornima Singh Rana (Tanu).

And if you need me I'm always be their for you.
Haan, I know thodi filmy Baatein Karne Laga Hoon but its just all my feelings are real and I don't know how straight forwardly to express these but still i try my best to express. It just I care for you more. But anyways you enjoy your Birthday after long time you are celebrating this spend your day with happy smile on your face and great memories lots of wishes to you. Tanu !!

Regards
K.
